

### **Taste of Maine**

Do you have a product or service you would like to donate as a raffle prize to be given away at the Taste of Maine Event? Have you donated food in the past and would like to contribute this year as well? We've changed it up a bit and we're looking for gift certificates or packaged items that can be given as raffle prizes throughout the evening as people enjoy dinner and entertainment with a great view of the lake. Sign up below or contact the Rec department to arrange pick up or with any questions you may have.

### **Party in the Park**

We've moved the Party to Standish Memorial Park so everyone can have an unobstructed view of the fireworks. Bring your lawn chairs, blankets and a picnic, or stop by the Snack Shack for a nibble! We'll still be boogie-ing with Flamin Raymin and Sizzlin Suzzin and you'll see we have improved and increased parking at the park!

### **Parade**

The parade continues to grow each year, so get your float ready! It will start on Blake Road and continue up Ossipee Trail through the corner to Oak Hill Road. Prizes will be given to the Best Community Organization Entry, Most Creative Entry, Best Business Entry, Judges Choice and Best Depiction of Standish (3 Villages. 1 Community.)
